NMG (Dutch Membrane Society):
www.membranengenootschap.nl

Agenda

Joint seminar: NL GUTS / NMG
Topic: Membrane Technology
Date/time: **Tuesday March 6th, 2018 / 09.30h -18.00h**
Location: Institute for Sustainable Process Technology (ISPT)
Address: **Groen van Prinstererlaan 37, 3818 JN Amersfoort**

Members of NLGUTS & NMG, please be invited for this event. We request you to register latest Wednesday February 28th. The maximum number of participants is 35. In case the maximum number of attendants is reached you will be put on a reserve-list. Registration via [NL GUTS meeting Membrane Separation - jointly with NMG](#). For this event a no-show charge of 50€ applies.

Program

9.30 Registration

10.00 **Welcome** / Agenda: Tjeerd Jongsma, Wridzer Bakker, Jeffrey Felix

1. Morning Session Presentations:

- a. Marlies Geerts (Green Protein), *Introduction Green Protein*
- b. Walter van der Meer (UT / Oasen)
 - i. *"Impeccable drinking water"*
From idea to realization
- c. Anita Bueckenhoudt (VITO)
 - i. *"More sustainability in chemical processing due to UF & NF for solvents - status and perspectives"*
- d. Peter Aerts (Blue Foot Membranes)
 - i. *"Integrated permeate channel (IPC) membranes for submerged applications"*

2. Introduction **Workshop**, Wridzer Bakker/Program director ISPT

12.30 Lunch

13.30 Afternoon Sessions

1. NL GUTS specific topic(s) / NMG specific topic(s)
2. Workshop *"Determining subjects for (Early Adopter) ISPT Projects"*, Klaartje Rietkerken, Program manager ISPT
3. Afternoon Session Presentations
 - a. Frans Durieux (Aqua Innovation)
 - i. *"Reinforced Pressure-driven UF membranes with a high TSS tolerance"*
 - b. Niek de Nooijer & Aitor Cruellas (TUE)
 - i. *"Inorganic membranes: a way to intensify chemical processes"*

17.00 Networking & drinks

Follow-up meeting: Thinktank NL GUTS
